MEMO ENDORSED

Honorable Stephen C. Robinson
United States District Judge
Southern District of New York
300 Quarropas Street
White Plains, New York 10601

Re: United States v. Michael Milazzo
07 Cr. 506 (SCR)

Dear Judge Robinson:

Yesterday afternoon this Court imposed a sentence including, inter alia, restitution in the amount of \$94,038.00.

I neglected to ask the Court to consider waiving the accrual of interest on the restitution balance.

On Mr. Milazzo's behalf, I respectfully request that the Court not require Mr. Millazzo to pay interest on his restitution debt.

Thank you for your consideration.

Respectfully,

Paul E. Davison
(914) 428-7126

*Mr. Milazzo's interest on his
restitution amount of \$94,038.00 is
hereby waived. This Court finds that the
accrual of interest on the restitution balance
is unduly burdensome and does not serve the
ends of justice.*

Nola Heller, Esq.
Assistant United States Attorney
